PROFESSIONAL EXPERIENCE

Atlas Subject Matter Expert / Client Support & Onboarding Manager | Faria Education Group

Katy, TX | Jan 2023 - Present

- Lead global customer enablement, product training, and structured onboarding programs for an EdTech SaaS platform; support a portfolio of 900+ accounts across K-12 and higher education.
- Deliver 200+ bilingual webinars and training sessions annually, achieving a 3.9/4 satisfaction rating through one-to-one, group, and digital learning formats.
- Led Support and Services restructuring, improving operational efficiency by 35%; oversee team onboarding, learning resources, goal setting, and performance development.
- Introduced ChatGPT and Notion AI for knowledge-base summaries, content development, and support enablement, reducing response time by 40%.
- Partner with Product and AI teams to test and validate features before release; create Help Center articles, videos, and launch materials to accelerate adoption.
- Use Salesforce, Zendesk Explore, and Power BI reporting to monitor customer engagement, identify churn risk, and guide proactive stakeholder outreach.

Business Consultant | Aldhalemi Consulting

Katy, TX | Mar 2012 - Present

- Advise SaaS, education, nonprofit, and small-business organizations on strategic planning, operational improvement, client adoption, and workforce development.
- As Director of Strategic Planning for ALETS (since Jun 2024), developed a three-year Texas roadmap for Arabic-language education, including district partnerships and educator workforce initiatives.
- Secured funding approvals for 20+ small businesses through business planning and financial guidance; delivered bilingual entrepreneurship and AI-literacy workshops.

PROFESSIONAL EXPERIENCE (CONTINUED)

Business Consultant - Selected Engagements | Aldhalemi Consulting

United States | 2019 - 2023

- Mercy Corps (2020-2023): Delivered bilingual business training to 120+ entrepreneurs who received Mercy Corps grants.
- EdSky Consulting (2019-2020): Served as COO, building HR, finance, sales, and client-success operations; scaled services to 240+ international students in the first year.
- Sales Enablement: Developed CRM onboarding and training for small-business teams, reducing sales-representative ramp-up time by 50%.

Senior Client Success Manager | Faria Education Group

Portland, OR | Jun 2013 - Dec 2022

- Managed a global portfolio of 900+ K-12 SaaS accounts across regions, overseeing adoption, retention, strategic escalations, and customer success planning.
- Delivered 48 webinars and 130+ live trainings annually; translated customer requirements into product improvements and regional enablement programs.
- Redesigned new-hire enablement and training for Customer Success, reducing time-to-readiness by 60 days and accelerating performance against 90-day goals.
- Built and maintained two multilingual Help Centers, publishing feature documentation within one week of product launches; received two client commendation letters shared with the CEO.

Program Manager | International Medical Corps

Baghdad, Iraq | Apr 2009 - Aug 2011

- Directed a multimillion-dollar Emergency Medical Services program, coordinating concurrent projects, training systems, and public-sector stakeholders.
- Oversaw programs involving 900+ nurses, 17 medical societies, and 2,000+ physicians; established training infrastructure, digital databases, and knowledge-sharing resources.

Senior Program Officer | International Medical Corps

Baghdad, Iraq | Feb 2008 - Apr 2009

- Coordinated 20+ conferences, 45 workshops, and 90 training courses; supported 10 awareness campaigns, 17 databases, two websites, and four nationwide surveys.

Computer Engineer | Baghdad University

Baghdad, Iraq | Jun 2005 - Feb 2008

- Developed the university's first digital thesis library, reducing research retrieval from hours to minutes.
